A prayer from Kathy Anderson by John Cotter

Give to each of us a candle of the Spirit, O God,
as we go down into the depths of our being.

Show us the hidden things, the creatures of our dreams,
the storehouse of forgotten memories and hurts.

Take us down to the spring of life,
and tell each of us our nature and our name.

Give us the freedom to grow in order that we may each
become that self the seed of which you planted in us at our making.

Out of the depths we cry to you, O God.
